

Important Information

OMNI TERRIER DERBY **RULES**

at Epsom Racecourse (near the 2 furlong marker)

As some of you might know from previous Terrier Derby's, things can get a bit chaotic. So here are a few "rules" and some information to help smooth things along and prevent any misunderstandings

RULES

- 1) The winner is the first to go through the gap in the straw bales. The judges' decision is final.
- 2) All terriers must go in the traps. All terriers must wear a coloured collar.
- 3) Any terrier racing from outside the traps will not be eligible for the next round (hence the maximum height of 15" at the shoulder to ensure they can fit in the traps).

REGISTRATION FROM 12.30pm

Entry £2 per terrier (all proceeds to charity) FREE FOR SPECTATORS

No Collar & Chip – No Race

Register your terrier at the registration tent. You will be given a coloured disc, with your race number on it and a matching coloured colour.

Please listen out for your race number. Each terrier will have a coloured collar to wear for the race – please return the collar as soon as your race has finished so they can be used for the other races.

Please Return the Coloured Collars & Chips. If your terrier is the winner of the race then his or her token must be returned to the registration tent to ensure that he or she goes forward to the next round (a steward will assist in this).

1ST RACE 1.30pm

The races will start at 1.30pm with 4 terriers in each of around 16 heats. Depending on the number of terriers participating, the winner from each heat will go forward to the 4 quarter finals. The first 2 from the quarter finals go forward into the 2 semi-finals and the first 2 from each semi-final going into the final at approximately 2.30 – 3.00pm. The winners presentation will take place shortly afterwards at the rostrum with prizes for **all** the finalists.

IMPORTANT - TO ALL TERRIER OWNERS

Please take care with your terrier and keep them on a lead at all times unless participating in a race. Any terriers showing aggressive behaviour towards people or other terriers will be excluded.

PLEASE CLEAN UP AFTER YOUR TERRIER

We have poo bags available so if your terrier has an accident please clean up this sacred turf and place in the bin provided.

Poo bags kindly sponsored by The Rat (The Bell) Walton on the Hill).
